Guaranteed lower premium rates for 10 years

100% Pure Evolvement is a Permanent Life Insurance product you can purchase up to age 80 on an individual basis and from age 18 to age 70 on a joint basis. Benefit from permanent protection that varies from \$10,000 to \$2,500,000 with premium rates that are payable and guaranteed for life. Take advantage of **premium rates that are reduced for the first 10 years** of your contract.

100% Pure Evolvement covers you for life and includes a number of attractive features.

100% Pure Evolvement gives you some breathing space for the first 10 years of your contract

Want to buy Life Insurance and still stay within your budget? You can, with *100% Pure Evolvement*. The premium rates will be reduced for the first 10 years of your contract, allowing you to meet your other financial obligations. Then, premium increases that are established and guaranteed at the time of issue will take place every five years for a set period.

What's more, *100% Pure Evolvement* offers a number of additional benefits to suit your needs.

After 10 years, you get reduced paid-up coverage with no further premium payments

In the event that you wish to stop paying your premiums for any reason, you may do so once your contract has been in force for 10 years and obtain **reduced paid-up insurance coverage** with no further premium payment required.¹ The insured amount² will then be equivalent to the total of the premiums you have paid,³ up to a maximum of 75% of the insured amount in force at the time. This amount will be paid to your beneficiary upon your death.

This way, you enjoy reduced insurance coverage without having to continue paying your premiums.

1. Some conditions, restrictions and exclusions apply.
2. Additional benefits and riders must be cancelled. The paid-up insurance contract has no surrender value.
3. Excluding annual policy fees, premiums for additional benefits and riders and any extra premiums, where applicable.

Surrender your insurance policy as of your 75th birthday

Once you reach age 75,⁴ you can cancel your insurance contract and receive a surrender value. This amount corresponds to 50% of the premiums you have paid³ without exceeding 50% of the insured amount in force at the time. That puts money back in your hands — money you can use to make a dream project come true such as travel, help out your children financially, fund your grandchildren's education, protect your quality of life in the event of illness, etc.

Other good reasons to choose *100% Pure Evolvement*

In addition to giving you coverage for life, *100% Pure Evolvement* has many other advantages:

- It offers protection in the event of a total loss of autonomy before age 60, giving you access to a living benefit equivalent to 50% of the insured amount in force at the time, up to a maximum of \$200,000¹
- It gives you a way to build an inheritance for your loved ones
- It enables your loved ones to maintain the same standard of living following your death
- It guarantees your premium amount for the life of your contract, so you have no unpleasant surprises.

SUCCESSION ADVANTAGE INCLUDED⁵

This benefit provides for the reimbursement **of up to \$1,000 in legal fees and expenses**, for the duration of the contract, if they are associated with liquidation of the insured's estate, probate of the insured's will, the arrangement of protective supervision of a person of full age (adult guardianship) of the insured or probate of the insured's mandate in anticipation of incapacity.

4. The contract must be in force for a minimum of 10 years.
